

Supply Chain

A FIRST FOR AUSTRALIAN DISTRIBUTION COMPANIES
...A TRULY INTEGRATED, END-TO-END SUPPLY CHAIN SOLUTION!

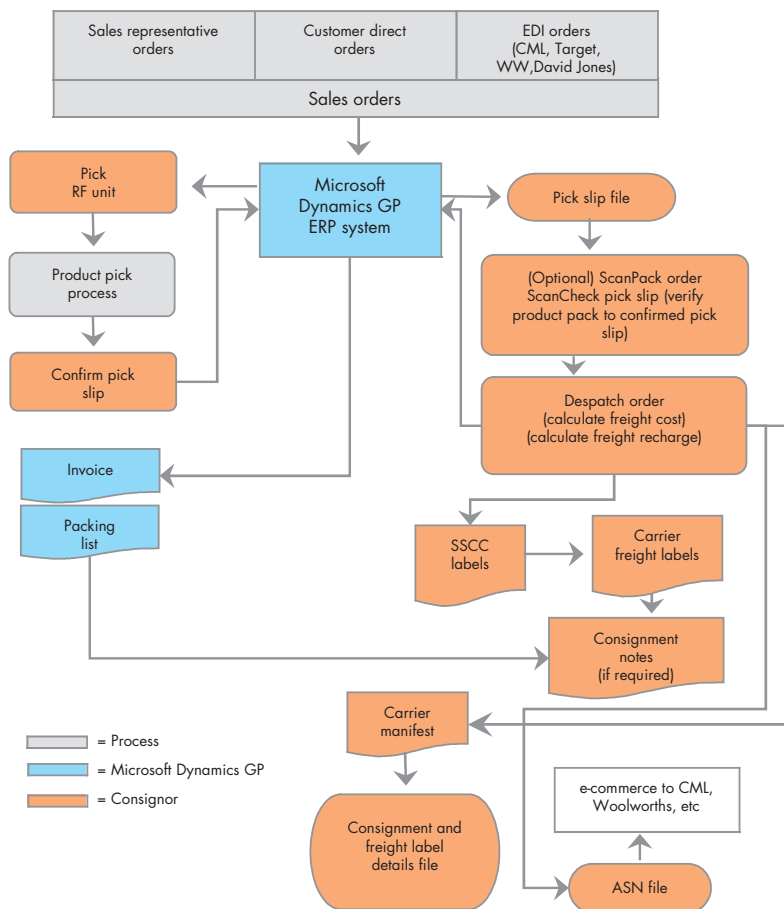

In an increasingly competitive environment where customer expectations are higher than ever before the successful companies will be those who can respond quickly and make decisions with confidence.

Not only do these companies require control over inventory and warehouse-functions but also accurate, up to the minute information that assists in planning, forecasting and responding to demand.

Australia's largest Microsoft Dynamics partner, Professional Advantage have teamed up with LSI (Logistics Systems International) to deliver a comprehensive solution that streamlines the entire distribution process and ensures you have complete control over your supply chain.

SUPPLY CHAIN FLOW:

Supply Chain

By combining what would otherwise be several disparate systems into one cohesive solution you will have a better understanding of all aspects of your business.

MICROSOFT DYNAMICS

Microsoft Dynamics has helped more than 260,000 businesses worldwide to improve and streamline their operations through the use of business applications software. The end-to-end business applications and services are designed to help businesses become more connected with customers, employees, partners & suppliers.

LOGISTICS SYSTEMS INTERNATIONAL

LSI delivers a solution that totally automates inventory management, distribution, transport, eCommerce and the measurement and reporting of logistic KPI performance through Consignor. Consignor is a state-of-the-art retail and freight carrier accredited system which combines the functionality of electronic commerce, order to delivery window management, RF, despatch management and freight tracking.

PROFESSIONAL ADVANTAGE

Professional Advantage is a leading provider of business solutions that are focused on adding value, bottom-line results and improvement from performance to profit. Over 850 Australian and global organisations rely on Professional Advantage for its software implementation, support and services.
