

# Case Study

DIABETES VICTORIA

diabetes victoria

Diabetes Victoria is a not-for-profit organisation. Its mission is to support, empower, and campaign for people who live with diabetes. They work closely with the community to help people manage their condition. It runs educational programs and seminars.

Not for Profit, Healthcare  
Industry

150  
Number of Staff

50-60% of its revenue  
Government funding

## CHALLENGES:

10 year old legacy intranet, serving a small fraction of the business.

Old records management system, expensive to maintain & delivered little ROI.

Highly manual, paper based recruitment process.

## SOLUTION:

SharePoint Online, PowerApps and Flow

Microsoft  
SharePoint

Microsoft  
PowerApps

Microsoft  
Flow

## RESULTS:

Records Management delivered at a quarter of the \$100k cost quoted to upgrade legacy solution.

Cost effective compliance with government codes and policies.

Two weeks saved in recruitment process.

Digitised forms and secure workflows alert users ensuring efficiencies and rapid turnaround of work processes.

User centric, mobile friendly portal with intuitive interface.

Enhanced staff productivity.
