

Microsoft Power Apps &
Power Automate

ATSICHS Brisbane

Queensland's largest indigenous
community healthcare organisation
streamlines manual business
processes with Power Apps
and Power Automate.

ORGANISATION

Aboriginal & Torres Strait
Islander Community
Health Services

INDUSTRY

Healthcare,
Not-for-Profit

STAFF SIZE

Medium
(300+ employees)

Challenges

Underutilised Power Apps and Power Automate included in its subscription included in their Microsoft 365 investment.

Highly manual but much-needed business processes.

Solution

Professional Advantage developed custom electronic forms for ordering uniforms and performing various checklists using Power Apps and Power Automate that connects to their SharePoint Intranet.

Microsoft
Power Apps

Microsoft
Power Automate

“Professional Advantage was really easy to deal with, really responsive, and delivered our expectations.”

– Jarryd Aleckson, IT Manager ATSICHS Brisbane

Results

Saved several hours a week from digitising their paper-based administrative processes.

Able to rapidly launch the new e-forms in just a matter of days.

Fully maximised their Microsoft 365 subscription.
