Integrate the apps you're using with Teams

Bring the apps and services you love into Teams to create your organisation's hub for teamwork.

Teams has 500+ apps

Find your favorite or add your own

App Studio	Azure DevOps	Jira Cloud	Jenkins
Adobe Creative Cloud	Confluence Cloud	GitHub	Trello

Apps let you do more in Teams.

Think about the tools, files, and dashboards you already use.
Many of them can be added right into Teams.
And you can find them in the Teams app store.
