

Payables Management

A competitive advantage through managing key supplier relationships...

This course will cover entering invoices, credit notes and payments using a variety of methods. You will also learn how to access detailed customer information and creditor data through the use of enquiries or reports.

Duration: Full Day

Cost: \$1680 + GST + Travel

Additional Manuals +\$50 per attendee

Who Should Attend:

- Data entry clerks, administrators, office managers, CEOs, and anyone needing to understand Payables functionality.

Pre-Requisites:

- Windows knowledge.
- Introduction to Microsoft Dynamics GP.

- Introduce basic concepts and features in Payables Management and understand the basics of Payables Management setup.
- Create and modify creditors' files as well as identify the default accounts and key fields that your company requires.
- Process various types of transactions depending on your requirements, including Invoicing, credit notes and the advantages of using batches.
- Place or release creditor and transactions holds.
- Perform enquiries to view vendor history and summary information. Print a variety of reports to view information including the use of date ranges, report groups, smartlists, and adding report options to My Reports.
- Enter, track and process scheduled payments transactions if required.
- Process prepayment computer generated cheques.
- Process direct payments, credit card payments, and hand written cheques. Process COD cheques.
- Create a batch of creditors' invoices to be paid and process a cheque run. Look at specific issues and problems that can occur during a cheque run.
- Create EFT creditors and then setup a batch of creditors' invoices to be paid and process an EFT payment run.
- Void transactions that are not paid or applied (open transactions). Void paid or fully applied transactions (historical transactions).
- Setup, enter and post Payables Intercompany transactions in the General Ledger if required. Undertake a vendor/debtor consolidation.

Professional Advantage training is costed in either half or full day sessions. Half day (approx 4 hrs) and full day (approx 7.5 hrs) training sessions may vary in length depending on competencies required by the customer. Room hire available upon request.
