

# AI Readiness Consultation

Discover the transformative potential of Microsoft 365 Copilot.

## Still at a loss about where to start with your AI adoption strategy?

Most organisations find it overwhelming too. But when you work with long-time proven Microsoft Modern Work partners like Professional Advantage, we can help your organisation chart a roadmap to a successful AI implementation.

## Start with our complimentary 2-hour AI discovery consultation.

In this tailored session, we will:

Identify high-impact use cases aligned with your organisational goals and priorities.

Assess your data environment to evaluate readiness for secure, governed AI integration.

Deliver actionable insights through a documented summary to guide your next steps.

This consultation prepares your organisation not just for Microsoft 365 Copilot, but for a secure, compliant, and responsible AI future.
